HISTORIC KENWOOD NEIGHBORHOOD ASSOCIATION ("HKNA")
2012 Annual Membership

Time to renew your membership (or become a member!) of the HKNA and be part of the most active, largest neighborhood association in St. Petersburg. There is strength in our numbers, and adding your voice by being a dues paying, voting member of the HKNA helps us achieve positive results for the neighborhood.

Not only is the HKNA a great social network, but in the year past we have been active in supporting the no-solicitation ordinance, expanded the Crime Watch program (and been honored by the city for its achievements), worked with businesses coming into the area to further the interests of the neighborhood, and provided a forum for the concerns of residents to be heard.

Please return the form below, and help us begin the new year with the strength of your support. If you choose one of the "extra" memberships, you can also enjoy HKNA items to proudly display the neighborhood logo! (Your merchandise will be delivered to you)
